

FRANCES OLIVE ANDERSON  
Church of England (Aided) School

'Being different, Belonging together'

Frances Olive Anderson Church of England Primary School is a place where all are welcomed and considered valuable and valued as unique children of God. As a school community we aim for all to develop wisdom, hope for the future and a sense of self-worth - to aspire to be the very best we can be, and to enable us to serve others.

Our children and community are at the very centre of all we do at Frances Olive Anderson Church of England School. We have a strong, dedicated team of staff who strive to provide an exciting and enriched curriculum from which all our pupils learn. Each individual learner is carefully planned for and teaching and learning methods deployed to ensure ALL pupils make progress from their starting points academically and emotionally. Our vision underpins our approach at all times: 'Being Different, Belonging Together,'

The academic and emotional needs of our community are considered, to enable everyone to flourish. Happy learners are lifelong and successful learners. We strive for our children and adults to be resilient to face any challenges and become a voice for change in the world where change is needed.

Frances Olive Anderson Church of England Primary School is located in the rural village of Lea which is situated in between Gainsborough and Lincoln. The school is growing in popularity.

The catchment area includes Lea, Knaith, Knaith Park, Gate Burton, Upton and Kexby, although many children from Gainsborough and the surrounding area choose our school. A free bus provided by LCC transports children from Upton and Kexby.
